

## Wyoming Area Catholic Fall 2011 Lottery

August 1, 2011

Dear Parents and Guardians,

We will be conducting a \$20 Fall Lottery as a Tuition Reduction program for the 2011-2012 school year. The tickets run from October 17, 2011 to February 14, 2012.

The payouts are based on the PA evening daily number lottery and the payout is typically \$50. On Saturday, the payout is \$100, and on special dates the payouts are even more. Halloween, October 31 and New Years Day, January 1, 2012, the payout will be \$250. On Thanksgiving, November 24 and Christmas, December 25, the payout will be \$500, and on Valentine's Day, February 14, the payout will be \$1,000.

The fundraiser starts August 29. In order to participate, you must fill out the attached request form. Tickets will not be sent home with your child unless you complete the form. You can request special numbers and we will do our best to provide them on a first come first served basis. We have 1,000 tickets to sell & we would like to sell them all to obtain the maximum profit. If all 1,000 tickets are sold, the tuition reduction % to families will be 50%. The % will be less if we do not sell all tickets. Tickets are distributed on a first requested, first served basis – once 1,000 tickets are requested, there will be no more available for the Fall Lottery.

This fundraiser qualifies for the 2011-2012 tuition reduction program, any credit from this \$20 lottery program will be applied to your 2011-2012 school year tuition once the lottery begins and all calculations of the applicable percentage are approved by the school and provided to the finance department.

Tickets must be paid for in full by October 10, 2011 in order to be eligible for payout. If you have questions, please call Michelle Januszko after 6pm, 822-2614.

Thank you and Good Luck!
