**RE: Used Uniform Program**

Dear Parents,

Our uniform recycling program has always been a great help to parents to offset the cost of purchasing all new uniforms yearly. I would like to continue the program by asking you to please hand in your children's uniforms if they are in good condition and your children have out grown them.

As always, there will be not cost for the uniforms. However, if you are able, I am asking a \$1.00 per garment donation to go towards a fund that will help our struggling parents purchase new uniforms when used ones are not available. As part of recruitment/retention, we need to find ways to offer assistance to families who may need just a little help to keep them enrolled in our school.

This "Used Uniform Fund" will begin immediately and continue as long as there are uniforms to recycle. Remember, a donation is only requested, not required.

We are a school with a big heart and we need to continue to find ways to help and support one another.

Sincerely,

(Mrs.) Lucille Procopio  
Principal
