RE: School Safety Program

Dear Parents,

As part of the school safety program, **everyone** who enters the school building when students are in the building must sign in at the office window and wear a badge. There will be badges available that will say "Visitor" and "Volunteer". When exiting the building, I ask that the badges be returned to the office and the person signs out.

At dismissal, car riders will be dismissed out the side sports door. Parents are to wait in the parking lot, not in the lobby, for their children.

At no time may a parent interrupt a classroom during school hours, which includes the morning before school starts and the afternoon during dismissal.

Thank you for partnering with me to keep our students safe at all times.

Sincerely,

(Mrs.) Lucille Procopio
Principal
